### About the project: Night Owls

In the boundaries of everyday life, unadvertised but always flowing in not so remote places, there's a bizarre world of people who watch and is being watched.

Night Owls is a visceral selection of images that construct a non linear narrative which submerges us in a dream-like world, or perhaps underworld. It mixes images from archives, ephemeral moments from the life of the artist, and semi random still frames from movies. In an almost surrealistic approach, composes a kaleidoscopic view of images that flash in front of us.
